5/17/2020
- B. Location of child at the time of death or near fatality (city/county):  
Henderson, Clark
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:  
CCDFS received a report that the child's adult caregiver brought the child into a local hospital due to her being in physical distress. Medical evaluation determined the child had sustained an injury and was in serious condition. Law enforcement was contacted and responded to the hospital. There is a concern noted that there may have been a delay in seeking medical attention for the child.
- D. The date of birth and gender of child:  
4/17/2020, Female
- E. The date that the child suffered the fatality or near fatality:  
5/16/2020
- F. The cause of the fatality or near fatality, if such information has been determined:  
The cause of the near fatality is under investigation.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
  - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
  - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
  - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
  - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has not prior history for this child or member of the child's family or household.

**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened a case for investigation and family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.
