F. The cause of the fatality or near fatality, if such information has been determined:

Case of near fatality listed as possible shaken baby syndrome.

- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...
 - (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

There is one information only report dated August 1, 2020 stating that this infant tested positive for marijuana at birth.

Date: 01/04/2019

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

Agencies to check with legal representation if language is needed.

- H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...
 - (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
 - (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
 - (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

WCHSA and law enforcement are working a joint investigation on this case. The father to this child has been arrested, there is a sibling who is now in the care of family member, and mother is cooperating and receiving supportive services."

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5):

1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
