DIVISION OF CHILD AND FAMILY SERVICES

The Nevada
Department of
Health & Human
Services offers

FREE Online Mandated Reporter Training

Mandated reporter training is provided at no cost. Effective 2023, a fee will be required for all certificates of completion.

This training will provide an overview of the definitions, requirements, and protections associated with being a mandated reporter in Nevada. The 2.5 hour General Training course is all inclusive, non-profession specific, and should be taken by every mandated reporter.
