2. Call workshop to order
3. Overview of Purpose of the Workshop
4. Public Comment
5. Next Steps and Announcement of the Written Comment Deadline
6. Adjourn

The purpose of the workshop is to solicit comments from interested persons on the following general topic that may be addressed in the proposed regulations of the Nevada Revised Statutes:

- Establishes procedures for the Division to verify that a public or private institution or agency to which a juvenile court commits a child, including, without limitation, a facility for the detention of children randomly to ensure youth are placed in a manner that is appropriate for the gender identity and expression of the youth.
- Establishes required protocols for the use of state money on evidence-based programs and services; and establishes required protocols for the Division to withhold state money for failure to comply.
- Establishes requirements for the use of an evidence-based risk assessment, a mental health screening tool, and the development of an individualized case plan.
 - This includes the requirement of the Juvenile Justice Oversight Commission to review and approve the mental health screening tool and the individualize case plan.
 - This includes the requirement to have a full mental health evaluation for those youth who are identified to need one based on the screening tool.
- Revises and updates the current regulations for the collection of data pertaining to juvenile justice.
 - This includes a method to capture recidivism data, data on risk and needs levels, poverty levels, household composition, community supervision levels, family engagement, and reentry planning.
 - This includes the requirements to capture data status offenders, racial and ethnic disparities, and Juvenile Justice Oversight Commission approved juvenile justice performance measures.
