

Analise – 2008 Anthony – 2010 Katlin – 2013

Analise, Anthony, and Katlin are a joyful and loving trio!

Analise is a wonderful big sister who loves Anthony and Katlin very much. Her favorite activities are going on trips, playing board and video games, hiking, swimming, going on rock hunts and anything outdoors! She likes school and is good in all sports!

Anthony is an energetic, fun-loving kid who has a lot of patience. Anthony does great in school and is a good reader and likes math. He likes playing sports, building with Legos, and doing anything outdoors!

Little sister Katlin is an energetic girl who loves animals and anything outdoors. She is very happy and loves to talk! Katlin loves arts and crafts and to color and cut out things. Katlin is an outgoing child who loves to help do things, she is very excited to start school.
