

Isabella – 2011

Jenevieve – 2012

Meet this darling duo!

Isabella is a friendly, playful and happy little girl. She loves anything and everything that has to do with the Disney Princesses and My Little Pony. Some of her favorite activities include singing songs, listening to music on the radio, and playing outdoors where she can run around and use up all that energy. With supports, Isabella has made significant improvements socially and emotionally – she now enjoys positive attention and affection from those she trusts.

Jenevieve is a joy to be around. She is a funny and inquisitive preschooler with a great sense of humor. She is energetic and likes spending time outdoors, splashing around in the water whenever she can. Some of Jenevieve’s favorite indoor activities include playing dress up with shiny and sparkly jewelry, reading books and magazines, and watching her favorite shows P.J. Masks and Doc McStuffins on the Disney Channel.
