Anthony, Timothy, and David are close in age and have a close sibling bond!

Big brother Anthony is often found smiling and in a good mood. He is very social and loves to be the center of attention. Anthony loves food, especially chicken nuggets, hamburgers, and pizza. He enjoys playing with his siblings and he has a very active imagination. At this time he enjoys pirates, dinosaurs, and Thomas the Train. He is very active and can frequently be found playing outside. Anthony just finished Kindergarten. He has an Individualized Education Plan to help support him in school.

Timothy is often found happy and smiling, just like his brothers. He is very curious and loves to explore his surroundings. He is not a picky eater and really enjoys food. He too requires a lot of time and attention as he is always on the go.

Timothy attends half day preschool and really seems to enjoy it.

David is the youngest of the trio. Just like his brothers, he loves food and will eat most foods given to him. He is just as active as his siblings, and he loves playing with toys.
