

**Dakoda – December 2007**  
**5<sup>th</sup> Grade**

Meet Dakota! Dakota is almost 11 years old. He likes to be active and has recently expressed an interest in sports such as basketball, football and baseball. He reads, likes movies and TV, and enjoys a good board or card game. He is smart and likes school. Like most pre-teens, he has many sides to his personality, he can be shy, but he can also be open and friendly. While Dakota gets along with his peers, he would do best as the only child in an adoptive home. Dakota will thrive in a two-parent home with experienced parent's.

He is a Legal Risk
