

**Justin**

**DOB: May 2018**

Meet Justin! Justin is happiest when he is receiving one on one attention from his caregiver! He is an outgoing little guy and he loves to be the center of attention. He scoots around to get where he wants to go, but he will be crawling before you know it. Justin has overcome many obstacles in his life, and the right family for

Justin needs to be willing to meet his extensive needs and make a lifelong commitment! Only families willing to accept Legal Risk will be considered. The Indian Child Welfare Act applies to Justin. All families are welcome to inquire, although the tribe has a preference for a Native American family.
