

Nathan – 2002
Brandon – 2003
Landon – 2005

Nathan, Brandon, and Landon are social, outgoing boys with a lot of charisma. Their sibling bond is strong and they are very close. These boys are active and energetic! They enjoy football, baseball, basketball, bikes, scooters, skateboarding, and off-road sports. Nathan is the oldest and enjoys volunteering. He rarely runs out of stuff to talk about. Brandon can be very independent. Landon is a natural born leader and he loves to try new things. All three boys have potential to go far and accomplish whatever they put their minds to. The boys have regular communication with their family and hope to maintain that contact. They need a family that supports that ongoing connection.

Nathan, Brandon, and Landon look forward to staying together and having a family that is active!
