

Xander – 2011
Sebastiaan – 2015

Big brother, Xander, is friendly and he loves to smile. He enjoys drawing, playing with cars, Legos, playing outside, and riding bikes. He has never met a food he doesn't like. He needs a family that can be loving and affectionate with him. He is in Kindergarten and receives some extra support to help him do the best he can in school. Sebastiaan is a lovable little boy. He loves singing, playing outside, being chased around the house, and watching Mickey Mouse and Elmo. He is learning new words every day and he loves being read to! Xander and Sebastiaan have important family connections that will need to be continued.
