

Meet Vanessa!

**Vanessa – 2006
Legally Free**

Vanessa is a country girl at heart! She is most happy when she can ride and care for horses. Vanessa's ideal family would live in a rural area and would encourage her interest in equine sports and rodeo events such as barrel racing. She enjoys attending her church youth group and gets along well with her peers. Vanessa desires to be adopted and would love to be part of a family who would encourage contact with her sister.
