## Information for Release:

**A. Date of the notification to the child welfare agency of the death of a child:**

The date of this near fatality was 8/16/2013. CCDFS was notified of the near fatality on 8/17/2013 at 12:27 a.m.

**B. Location of child at the time of death or near fatality (city/county):** Las Vegas, Clark

**C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**

CCDFS received a report that the child was taken to a local hospital by her parent and another adult caretaker because she was suffering from a medical episode and became unresponsive. Upon medical examination, it was determined that the child's condition may be related to the child's nutritional needs not being met. At the time of the report the child was listed in critical condition. A police hold has been placed on the child.

**D. The date of birth and gender of child:** 4/14/2013, Female

**E. The date that the child suffered the fatality or near fatality:** 8/16/2013

**F. The cause of the fatality or near fatality, if such information has been determined:**

The cause of the near fatality is under investigation.

- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so:** (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

**The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that are related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.)**

CCDFS received one prior referral for the family on 4/4/2012. The factual circumstances of this referral did not rise to the level of warranting an investigation and was coded "Information Only".

CCDFS received one prior referral with regard to the natural mother as a child victim. A requisite investigation was completed in that instance with the report being found unsubstantiated.

CCDFS has prior history with regard to the adult caretaker as a child victim as follows:

Between 2/5/2008 and 7/2/2011, four referrals were received with factual circumstances that did not rise to the level of warranting an investigation, and were coded "Information Only".

Between 11/2/2009 a report was received alleging abuse. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

On 4/27/2011 a report was received alleging neglect. Upon conclusion of a requisite investigation, an allegation was found substantiated.

- H. Whether the agency which provides child welfare services, in response to the fatality or near fatality:** (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

Family assessment is ongoing with referrals for services being provided as assessment indicates. Court action has been initiated. The child and another relevant family member remain in protective custody. CCDFS will, as deemed appropriate, continue to provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of relevant members of the child's family or household.
