☐ Child **Date of Death:**

Fatality

☒ Near **Date of Near Fatality:** 12/18/2016

Fatality

☐ Portions of information on this form have been withheld at the request of
_____ law enforcement agency.

(Name of agency)

Information for Release:

A. Date of the notification to the child welfare agency of the death of a child:

CCDFS was notified of the near fatality on 12/19/2016.

B. Location of child at the time of death or near fatality (city/county): Las Vegas, Clark

C. A summary of the report of abuse or neglect and a factual description of the contents of the report:

CCDFS received a report that the teen was admitted to a local hospital due to being in physical distress. Upon examination, the teen was determined to be in critical condition due to an ongoing medical condition.

D. The date of birth and gender of child: 6/17/2001, Female

E. The date that the child suffered the fatality or near fatality: 12/18/2016

F. The cause of the fatality or near fatality, if such information has been determined:

No maltreatment was found to be a factor in this near fatality.

- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so:** (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that are related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.)

CCDFS has the following prior CPS history for this child and/or her family:

5/3/2013 – The factual circumstances of this referral did not rise to the level of warranting an investigation and was coded “Information Only”.

12/11/2014 and 12/22/2014 – Reports was received alleging neglect. Upon conclusion of a requisite investigation, the allegations were found unsubstantiated. A safety plan was put in place. Appropriate referrals were provided, and community resources and in-home support services were put in place to address the family's needs. The case was closed 3/23/2015.

10/30/2015 – This report was referred to an outside agency for assessment through the Nevada Department of Health and Human Resources, Differential Response program.

2/24/2016 – A report was received alleging neglect. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

5/9/2016 – A report was received alleging abuse. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

8/6/2016 – A report was received alleging neglect. On 8/23/2016 and 9/27/2016 referrals with additional information relating to the report were received. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated. Appropriate referrals were provided to the family and the case was closed.

10/21/2016 – The factual circumstances of this referral did not rise to the level of warranting an investigation and was coded “Information Only”.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality: (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has concluded its investigation and family assessment. The investigation found no evidence to support that the child's condition was a result of maltreatment. Appropriate referrals for services were provided to the family based on their needs. No further CPS intervention has been deemed necessary and the case has been closed.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 4): 1) Information regarding the sibling(s) of a deceased child; 2) the name of the reporting party or individual making an allegation or referral will not be released; 3) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(3)); 4) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
