The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that are related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.)

CCDFS has the follow prior history for the child and/or her family:

9/9/2013 and 9/16/2013 – Reports were received alleging neglect. Court action was initiated with relevant family members being determined to be in need of protection. The allegations in the reports were found substantiated. The family was placed under formal supervision and a case plan was put in place. Appropriate referrals and services were provided to the family. The court terminated wardship and custody on 9/9/2014 and the case was closed 10/17/2014.

2/5/2014 – A report was received alleging abuse. During the investigation, on 7/31/2014, a referral was received whose factual circumstances did not rise to the level of warranting an investigation, and was coded “Information Only”. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

5/18/2016 – The factual circumstance of this referral did not rise to the level of warranting an investigation and was coded “Information Only”.

4/30/2017 – A report was received alleging neglect. Court action was initiated and relevant family members were determined to be in need of protection. The family was placed under formal supervision and a case plan was put in place. On 10/14/2017 and 10/16/2017, referrals were received regarding concerns as to a relevant family member; however, the factual circumstances did not rise to the level of warranting an investigation; therefore, they were coded “Information Only”. Appropriate referrals and services are being provided to the family based on ongoing assessment. The case remains open.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality: (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened an investigation and is working in conjunction with local law enforcement. CCDFS will continue to, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child and/or relevant members of the child's family or household.
