Fatality

Portions of information on this form have been withheld at the request of Las Vegas Metropolitan Police Department law enforcement agency.

Information for Release:

A. Date of the notification to the child welfare agency of the death of a child:

CCDFS was notified of the near fatality on 5/26/2018.

B. Location of child at the time of death or near fatality (city/county): Las Vegas, Clark

C. A summary of the report of abuse or neglect and a factual description of the contents of the report:

CCDFS received a report that law enforcement and emergency medical personnel responded on a 9-1-1 call relating to a near drowning at a local apartment complex swimming pool. The child had been pulled from the pool and CPR performed. She was transported to a local hospital for treatment where she was initially determined to be in critical condition, then later deemed to be in stable condition.

D. The date of birth and gender of child: 12/31/2013, Female

E. The date that the child suffered the fatality or near fatality: 5/26/2018

F. The cause of the fatality or near fatality, if such information has been determined:

No maltreatment was found to be a factor in this near fatality incident.

G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so: (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;

(2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;

(3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;

(4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and

(5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that are related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.)

CCDFS has the following prior CPS history for this child and/or her family:

7/13/2014 – A report was received alleging neglect. Upon conclusion of a requisite investigation, the allegations were found unsubstantiated. The family was provided with a family resource guide and the case was closed.

3/30/2015 – A report was received alleging abuse. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated. Information and referrals regarding appropriate community resources were provided to the family and the case was closed.

6/7/2015 – A report was received alleging neglect. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated and the case was closed.

During the course of the family's history with CCDFS, referrals were received 9/25/2013, 1/26/2014, 12/11/2014, 3/17/2015, 3/30/2015, 8/21/2015, and 11/5/2015, whose factual circumstances did not rise to the level of warranting an investigation. These referrals were coded "Information Only".

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality: (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has concluded its investigation and family assessment. The investigation found no evidence to support that the near fatality was the result of maltreatment and the child has been assessed as safe. No further CPS intervention deemed warranted and the case has been closed.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 4): 1) Information regarding the sibling(s) of a deceased child; 2) the name of the reporting party or individual making an allegation or referral will not be released; 3) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(3)); 4) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
