On 8/23/2018, CCDFS received an initial report that law enforcement responded to a 9-1-1 call concerning a missing child. At the time of this report, there was no information to suggest maltreatment had occurred and the referral was coded "Information Only". A second report was then received with new information that the child had been found deceased.

On 9/5/2018, during the course of the open investigation as to the death of the child, information was received regarding a surviving 8-month-old sibling. This child was seen at a local hospital for medical clearance purposes. The child was subsequently admitted to the Pediatric Intensive Care Unit and was deemed to be in critical condition.

CCDFS has one prior report for this child and her family. On 6/12/2017, a report was received alleging abuse and neglect.
