F. The cause of the fatality or near fatality, if such information has been determined:

The cause of the near fatality/fatality is under investigation.

- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so:** (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that are related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.)

CCDFS has the following prior CPS history for this child and/or his family:

2/23/2017 – A report was received alleging neglect, with additional information being received on 3/3/2017. Upon conclusion of a requisite investigation, allegations were found substantiated.

8/1/2017 – A report was received alleging neglect. Court action was initiated and a relevant family member was determined to be in need of protection. The allegations in the report were found substantiated. The family was placed under formal supervision and a case plan put in place. During the course of the open case, information was received on 2/4/2018 and 2/5/2018 relating to the birth of another child. An investigation was opened and allegations of neglect were found unsubstantiated. Appropriate referrals and services were provided to the family. On 6/19/2018, the court terminated wardship and the case was closed.

11/5/2018 – The factual circumstances of this referral did not rise to the level of warranting an investigation and was coded "Information Only".

- H. Whether the agency which provides child welfare services, in response to the fatality or near fatality:** (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS opened a case for investigation and family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of relevant members of the child's family or household.
