C. A summary of the report of abuse or neglect and a factual description of the contents of the report:

CCDFS received a report that law enforcement and emergency medical personnel responded to a 9-1-1 call in reference to a near-drowning incident. It was reported the child had crawled out a doggy door and was found in the family's pool. She was pulled from the pool, and CPR was commenced. The child was transported to a local hospital where she was deemed to be in critical condition.

On 10/12/2019, CCDFS received notification that the child was pronounced deceased on 10/11/2019.

D. The date of birth and gender of child:

10/13/2017, Female

E. The date that the child suffered the fatality or near fatality:

Near fatality: 10/4/2019

Fatality: 10/11/2019

F. The cause of the fatality or near fatality, if such information has been determined:

No maltreatment was found to be a factor in this near fatality/fatality incident.

G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...

(1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;

(2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;

- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has no prior history for child or member of the child's family or household.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has completed its investigation and family assessment. The investigation found no evidence to support that near fatality/fatality was a result of maltreatment. Information regarding grief counseling was provided to the family and the case is closed.
