INFORMATION FOR RELEASE

- A. **Date of the notification to the child welfare agency of the death of a child:**
CCDFS was notified of the near fatality on 12/19/2019.
- B. **Location of child at the time of death or near fatality (city/county):**
Las Vegas, Clark
- C. **A summary of the report of abuse or neglect and a factual description of the contents of the report:**
CCDFS received a report that the child's adult caregiver brought the child into a local hospital due to her being in physical distress. Medical evaluation determined the child to be in serious, but stable condition, and in need of specialized care. An ambulance arrived to transport the child to another local hospital for treatment. During this time, the adult caregiver grabbed the child from the stretcher and attempted to leave the hospital premises. Law enforcement was contacted and responded to the hospital. There was an additional concern noted that there may have been a delay in seeking medical attention for the child.
- D. **The date of birth and gender of child:**
8/15/2018, Female
- E. **The date that the child suffered the fatality or near fatality:**
12/19/2019
- F. **The cause of the fatality or near fatality, if such information has been determined:**
No maltreatment was found to be a factor in the near fatality incident.
- G. **Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and

- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family:

1/21/2016 – A report was received alleging abuse. Upon conclusion of a requisite investigation, the allegation was found substantiated. At the time of case closure, the family was actively accessing and engaging in community resources.

8/18/2018 – A report was received alleging neglect. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS concluded its investigation and family assessment. The investigation found no evidence to support that the near fatality incident was a result of maltreatment, and the child is assessed as safe. No further CPS intervention has been deemed necessary and the case is closed.
