Re: Written Methods of Administration for the Nevada Juvenile Justice Programs Office

Dear Ms. Salla:

The Office for Civil Rights (OCR), Office of Justice Programs has received the written Methods of Administration (MOA) that you submitted on behalf of the Nevada Juvenile Justice Programs Office (JJPO) in accordance with the special conditions of selected current grant awards. The OCR has reviewed the submitted MOA and has determined that it substantially complies with the guidance regarding the required elements of a MOA provided at http://www.ojp.usdoj.gov/funding/other_requirements.htm. Accordingly, the JJPO has satisfied the relevant special conditions for this grant cycle.

Your submission satisfies the MOA requirement contained in a special condition for any subsequent grants that the JJPO receives from the Department of Justice for a three-year period. During this three-year time period, it is not necessary that the JJPO re-submit the approved MOA to the OCR.

If you have any questions regarding this matter, please contact OCR attorney Debra Murphy at 202-305-0667.

Sincerely,

Michael L. Alston
Director
Office for Civil Rights
