

**SPECIALIZED MEDICAID ROOM AND BOARD SUMMARY**  
**STATE FISCAL YEAR 2014**  
**July 1, 2013- June 30, 2014**

Specialized Medicaid Room and Board funding provides each local jurisdiction the ability to pay for per diem services for youth placed in a Medicaid approved facility. Additionally, local jurisdictions' have the flexibility to use this funding to provide community based programming to youth who are at risk for state correctional care. Each jurisdiction must report on the following elements (if applicable):

- Gender
- Age
- Ethnicity
- Placing County or Agency
- Number of prior placements
- Type of prior placements
- Current service that funding provides
- Average length of stay
- Number of re-offenses while in program
- Successful or non- successful completion
- Substance abuse diagnosis
- Mental health diagnosis

*Items marked with N/A identifies those areas that are not applicable for specified youth*

**Storey County**

Storey County currently does not have any youth who would access Medicaid Room and Board. Instead, Positive Youth Programming is provided to high risk youth in both the Virginia City and Lockwood area. This programming provides tutoring, volunteering opportunities and substance abuse prevention. The program will begin again in October 2013.
