

In January 2015 the Juvenile Justice Commission contacted three established printers about obtaining a quote to produce the PREA brochures in both Spanish and English. The printing process was to include:

Digital Color Print  
Duplex, 80# Gloss White Paper  
Tri-Folded and Trimmed to final size of approx. 8.5 x 11  
300 quantity  
Digital file will be in Microsoft Publisher

Although several printers were contacted, some did not do this type of printing work. We were able to obtain three quotes from the following printers:

Silver State Industries  
1721 East Snyder Ave.  
Carson City, Nevada 89702      \$75.00

DynaGraphic Printing  
2001 Timber Way  
Reno, Nevada 89512      \$263.00

Nevada State Printing Office  
301 S. Stewart Street  
Carson City, Nevada 89701      \$298.72

Silver State Industries did submit the lowest quote and they were the printers for the DMC brochure and many other brochures from the Division of Child and Family Services. They are a known printer who does do very good work.
