

**STATE OF NEVADA
DIVISION OF CHILD AND FAMILY SERVICES
PREA UNANNOUNCED ROUND LOG**

PREA policy requires high level supervisory staff to conduct unannounced rounds to review staffing ratios and to deter staff from sexual abuse and sexual harassment. These unannounced rounds will be conducted one day per month and cover all shifts and areas within the facility. These visits will be completed within one 24 hour period. Staff will not be informed of when these rounds will occur.
