The following shall be a part of RFP #18-02 for *Desert Willow Treatment Center*. If a vendor has already returned a proposal and any of the information provided below changes that proposal, please submit the changes along with this amendment. You need not re-submit an entire proposal prior to the opening date and time.

**Questions and Responses to RFP:**

1. Can you better define what the State intends with "resources and anticipated to be gained"?

The RFP currently says: *"Describe the cost of this project with a detailed budget showing where the resources are anticipated to be gained."*

This should read: *"Describe the cost of this project with a detailed budget, current financial resources and how the resources are anticipated to be gained, such as increased Medicaid billing, etc."*

2. Can we reference a budget and narrative attachment?

Yes, the DHHS Budget Narrative has been posted to the website along with the original RFP and this amendment.
