**FAMILY-DRIVEN AND YOUTH-GUIDED SUPPORT DEVELOPMENT**

- The Youth M.O.V.E. Nevada Chapter continued to recruit new members and hold meetings to generate the authentic youth voice.
- A statewide Youth M.O.V.E. Nevada Logo and marketing meeting was held; resulting in an approved logo, and active accounts on Twitter, Instagram and Facebook.
- Youth input was provided on substance use treatment services by Youth M.O.V.E Nevada in collaboration with the State Youth Treatment Program.
- Daily System of Care (SOC) and children's mental health information is being distributed over Nevada PEP and Youth M.O.V.E. Nevada social media accounts.
- The family and youth voice are present at the SOC workgroup meetings.
- SOC materials, policies, and forms are being reviewed for SOC and family friendly language.
- SOC Workforce Development activities/training workshops include the family voice in partnership with mental health staff.
- Mobile Crisis Response Teams refer families to Nevada PEP for peer support.
- There are over 200 children and families served by the SOC to date.
- The SOC social media strategy was launched.
- The SOC electronic newsletter format was developed and is distributed on a regular basis.
- SOC consumer information posters have been developed and distributed to organizations.
- A training calendar has been developed and is accessible to SOC sub-grantees and community providers.
- A working definition of the target population has been developed.
- A sub-contract has been secured with the National Wraparound Implementation Center (NWIC) to provide training and technical assistance. Within this, 6 coaches will become certified trainers.
- Baseline data for wraparound fidelity has been collected.
- In efforts to standardize and streamline data tracking, SOC has been incorporated into the EMR system.
- Beth Stroel is providing technical assistance to develop and implement the SOC Rating Tool to assess the initial implementation efforts of the SOC.
- Training efforts on data collection protocol has continued.
- Data is currently being cleaned and refined.
- Preparations are in place to develop an updated evaluation plan as directed by SAMHSA.
- Plans are in place to implement a follow-up RIMS survey.
- DCFS SOC staff attended Mobile Response and Stabilization Services Peer conference to become familiar with national efforts in this service arena.
- DCFS SOC staff attended and presented on mobile crisis teams at the Research and Policy Conference and Young Adult Behavioral Health in Tampa, Florida.
- The "provider enrollment" process is currently under development, which includes an initial application and agreement.
- Initial discussions have begun with other state entities to explore possibilities for alignment of funds.
- Nevada Medicaid has agreed to the implementation of the Child and Adolescent Needs and Strengths assessment tool for DCFS.
- Nevada Medicaid is participating on the implementation team.
- Research is underway to identify national "waiver" programs for possible adaptation and adoption within Nevada. This option aims to include wraparound services.
- Collaboration has begun with the State Youth Treatment Program in the development of their action plan for transitional age youth.
- Policies currently under development include (drafts are currently moving through the process): wraparound, provider enrollment, LGBTQ, provider standards, complaint process, child and youth rights and responsibilities (rev.).
- Developed a "Clinical Service Delivery Tool," which addresses quality assurance for sub-grantees for clinical services. This includes a standardized corrective action plan.
- Developed a "Fiscal Analysis Tool" to assess and assist sub-grantees on fiscal responsibility. A process for a standardized corrective action plan is currently under development.
- Collaboration has begun with the Division of Behavioral Health to implement CCBHCs across the state.

**PROGRAM DEVELOPMENT**

**SYSTEM LEVEL ACCOMPLISHMENTS**

- The "provider enrollment" process is currently under development, which includes an initial application and agreement.
- Initial discussions have begun with other state entities to explore possibilities for alignment of funds.
- Nevada Medicaid has agreed to the implementation of the Child and Adolescent Needs and Strengths assessment tool for DCFS.
- Nevada Medicaid is participating on the implementation team.
- Research is underway to identify national "waiver" programs for possible adaptation and adoption within Nevada. This option aims to include wraparound services.
- Collaboration has begun with the State Youth Treatment Program in the development of their action plan for transitional age youth.
- Policies currently under development include (drafts are currently moving through the process): wraparound, provider enrollment, LGBTQ, provider standards, complaint process, child and youth rights and responsibilities (rev.).
- Developed a "Clinical Service Delivery Tool," which addresses quality assurance for sub-grantees for clinical services. This includes a standardized corrective action plan.
- Developed a "Fiscal Analysis Tool" to assess and assist sub-grantees on fiscal responsibility. A process for a standardized corrective action plan is currently under development.
- Collaboration has begun with the Division of Behavioral Health to implement CCBHCs across the state.
| PROVIDER DEVELOPMENT | • The NWIC has begun implementation of training and technical assistance to state wraparound providers and sub-grantees.  
• Workforce development trainings on SOC topics continued. This includes, but not limited to, Systems of Care, cultural competence, wraparound, suicide awareness and prevention and LGBTQ youth.  
• Sustainability and clinical services reviews with sub-grantees has begun.  
• Collaborated with Nevada Department of Education (DOE) to provide a trauma-informed care training for DOE school social workers.  
• SOC is taking the lead on the development of training and resources in response to all bills passed during the 2017 legislative session that impact children’s behavioral health. |
| SERVICE ARRAY DEVELOPMENT | • Children’s mobile crisis services continue with plans to expand in Washoe County.  
• A Northern Nevada Assessment Center is under development.  
• Collaboration has begun with Juvenile Justice to explore development of a Juvenile Justice Assessment Center.  
• Service array sub-grants completed for: Apple Grove (youth day treatment), The Center (LGBTQ training). Currently working on sub-contract for youth in transition in rural communities.  
• A review of possible evidence-based practices to consider for Nevada’s Service Array is ongoing. |
NEVADA SYSTEM OF CARE STRATEGIC PLAN
Supplement One

The following update to the Nevada System of Care Strategic Plan contains notes on action steps and progress completed to date. A column labeled “Progress Update” was added and updated. Additionally, strategies and the outcomes/benchmarks were amended to increase clarity (changes are noted in red). When appropriate, future activities planned for year two of the grant are noted.

**Goal 1: Generating support from stakeholders for the transition of DCFS for direct care to an oversight function.**

Generate support among families and youth, providers, and decision policy makers at state and local levels, to support expansion of the SOC approach, transitioning the Division of Child and Family Services, Children’s Mental Health from a direct care provider to an agency that primarily provides planning, provider enrollment, utilization management through an assessment center, technical assistance and training, continuous quality improvement.

# trainings  
# providers given TA |
| Year Two Goals | | | |
| • Explore possibility of expanding SOC training to include history of SOC in Nevada  
• Explore possibility of maximizing training through expansion to community-at-large. | | | |
### CORE STRATEGIES

G 1-5. Expand availability of community-based children's behavioral health services that are consistent with SOC Principles and Values.

### SERVICES/PROGRAMS/ACTION STEPS

- Develop Standards of Care for Children's Mental Health Providers and Sub-Contractors
  - Engage stakeholders in the development process.
  - Accountability-based contracts that include adherence to the SOC principles and values.
  - Fidelity to EBPs

### RESPONSIBLE PARTY

- DCFS
- DHCFP
- Provider Standards & EBP Workgroup
- Governance Workgroup

### PROGRESS UPDATE

- **6/2017**: Partnered with state Department of Education to provide a trauma-informed care training to school social workers.
- **6/2017**: Policies currently under development include: wraparound, provider enrollment, LGBTQ, provider standards, complaint process, child and youth rights and responsibilities.
- **Ongoing**: All trainings developed are implemented as requested and in an ongoing manner. A training calendar has been developed and is accessible to community providers.

### OUTCOME/BENCHMARK

- **12/2016**: Provider requirements under development that include:
  - Standards
  - Training
  - Accountability

**Note:** See provider enrollment and quality assurance process above.

- **12/2016**: DHCFP completed RFP process and selected providers.

- **9/2016**: DCFS has begun to identify community-based providers and completed sub-grants to begin providing services.

**BENCHMARK**

- **DHCFP**: Revised RFP containing updated policies that include SOC.

**Outcome:**

- **# of providers recruited into network based on gap analysis**

---
