NEVADA SYSTEM OF CARE STRATEGIC PLAN
A Snapshot of Quarterly Accomplishments

<p style="text-align: center;">FAMILY-DRIVEN AND YOUTH-GUIDED SUPPORT DEVELOPMENT</p> <p><i>Activities that support the inclusion of youth and families in all levels of SOC.</i></p>	<ul style="list-style-type: none"> • The Youth M.O.V.E. Nevada Chapter continued to recruit new members and hold meetings to generate the authentic youth voice. • Daily System of Care (SOC) and children’s mental health information is being distributed over Nevada PEP and Youth M.O.V.E. Nevada social media accounts. • The family and youth voice are present at the SOC workgroup meetings. • SOC materials, policies, and forms are being reviewed for SOC and family friendly language. • SOC Workforce Development activities/training workshops include the family voice in partnership with mental health staff. • Mobile Crisis Response Teams refer families to Nevada PEP for peer support. • Families were engaged to participate in the Readiness Implementation Measure Study.
<p style="text-align: center;">NEVADA SOC PROGRAM DEVELOPMENT</p> <p><i>Activities that support the Nevada SOC infrastructure (i.e. development of training and evaluation systems, monitoring of implementation).</i></p>	<ul style="list-style-type: none"> • There are over 200 children and families served by the SOC to date. • The SOC social media strategy now includes frequent postings to Twitter and Facebook and is connected to PEP’s social media program. The SOC is also a part of the DCFS website now and has a list of all trainings on the site as well as a link to be able to register for them. • The SOC electronic newsletter continues to be distributed to SOC partners and stake holders on a regular basis. • The SOC will now have all their trainings on the Nevada Partnership for Training Website. Anyone interested may register there for all SOC trainings and will be able to get CEU’s. • The target population definition has been updated. • Wraparound training for staff and sub grantees from the National Wraparound Implementation Center (NWIC) has been completed and supervision and coaching is ongoing. • Baseline data collection for wraparound fidelity is in process. • Training efforts on data collection protocol continues an ongoing-basis. • Data is currently being cleaned and shared with the SOC subcommittees for planning purposes. • Second Readiness Implementation Measures (RIMS) survey was completed to measure system readiness and implementation. • A survey using the “Rating Tool for Implementation of the System of Care Approach” was completed. Highlights from the findings were presented to the SOC Subcommittee during its August 2017 meeting.
<p style="text-align: center;">SYSTEM LEVEL ACCOMPLISHMENTS</p> <p><i>Activities that support the alignment of children’s mental health systems with SOC principles.</i></p>	<ul style="list-style-type: none"> • Discussions continue with other states to explore models for the alignment of funds to support the SOC. • Nevada Medicaid has agreed to the implementation of the Child and Adolescent Needs and Strengths assessment tool (CANS) for DCFS and is now considering its use as a tool to determine service intensity. • Discussions continue regarding the development of a waiver and a state plan amendment for possible adaptation and adoption within Nevada for home and community based children services. This option aims to include wraparound services. SAMHSA is helping with Technical Assistance in this area. • Collaboration continues with the Division of Behavioral Health to implement Certified Community Behavioral Health Clinics across the state. • An enrollment package and standards have been created for providers in the System of Care. New standards developed include: wraparound and SOC training, provider enrollment, LGBTQ, provider standards, complaint process, child and youth rights and responsibilities. • SOC has completed initial quality assurance review of all sub grantees and provided a corrective action plan where needed. This will continue a on quarterly basis along with the sustainability plans.
<p style="text-align: center;">PROVIDER DEVELOPMENT</p> <p><i>Activities that support the development and</i></p>	<ul style="list-style-type: none"> • Workforce development trainings on SOC topics continues. This includes, but not limited to, Systems of Care, cultural competence, wraparound, suicide awareness and prevention and LGBTQ youth. • SOC currently has 8 trainings developed with additional trainings under development for SOC providers. The SOC also supports training done by other providers. Over 1500 people have attended trainings by the SOC since 1/1/17.

<p><i>expansion of providers consistent with SOC principles.</i></p>	
<p>SERVICE ARRAY DEVELOPMENT</p> <p><i>Activities that support the development and expansion of evidence-based interventions consistent with SOC principles.</i></p>	<ul style="list-style-type: none"> • A review of possible evidence-based practices to consider for Nevada’s Service Array is ongoing. • SOC continues to work with Duke University to provide training and consultation on the “Together Facing The Challenge” model for specialized foster care providers. • The SOC has also funded additional programs for FY 18 as part of its service array development. Funding has been increased to open two additional school based health centers, a rural Intensive Outpatient Program and a Positive Behavior Intervention Support program for our psychiatric hospital and correctional facilities.

NEVADA SYSTEM OF CARE STRATEGIC PLAN
Supplement One

The following update to the Nevada System of Care Strategic Plan contains notes on action steps and progress completed to date. A column labeled "Progress Update" was added to show updates. Additionally, strategies and the outcomes/benchmarks were amended to increase clarity (changes are noted in red). Where possible, future activities planned for year two of the grant are noted.

Goal 1: Generating support from stakeholders for the transition of DCFS for direct care to an oversight function.

Generate support among families and youth, providers, and decision policy makers at state and local levels, to support expansion of the SOC approach, transitioning the Division of Child and Family Services, Children's Mental Health from a direct care provider to an agency that primarily provides planning, provider enrollment, utilization management through an assessment center, technical assistance and training, continuous quality improvement.
