1.1.3 (A) Deliver one safety assessment training in Clark County first following by Washoe and Rural.	CCDFS, WCDSS, DCFS	Agenda and Training	Clark: Q5 Washoe Q6 Rural Q7	Q5

Clark County delivered the NRCCPS ACTION for Child Protection safety model to new hires January 16, 2012 through January 20, 2012. These trainings address the safety throughout the life of the case concepts focusing on safety planning in all lifecycle areas of the case, such as permanency and safety within foster care. These trainings include instruction on using the Clark County safety assessment instruments submitted in Quarter 1 and Quarter 4. There will be another presentation of this model in April-May 2012 to another set of newly hired case managers and supervisors. See Appendix B for the educational objectives of this safety training and Appendix C for the "Clark County DFS CPS Investigation: A Social Child Safety Intervention" training table of contents. The most recent revised version of the Safety Intervention model presented by NRCCPS will be implemented in summer 2012.
