Dear Ms. Howell:

This letter is in regard to the Nevada Child and Family Services Review (CFSR) Program Improvement Plan (PIP) that was approved by the Children's Bureau, Administration for Children and Families, on December 1, 2010. As of August 31, 2012, Nevada completed Quarter 7 of the PIP and submitted a status report and associated matrix by September 28, 2012, as required. The purpose of this letter is to provide you with a status report on progress the State is making in meeting the terms and conditions of the PIP.

Action Steps and Strategies

The State has fully completed the following Quarter 7 Action Steps: 1.1.3(A), 2.3.1(B), 4.1.4(A), 4.1.2 and 5.1.7. Overall, the State has completed the following goals: Primary Strategy One: Goal 1 and Goal 2; Primary Strategy Two, Goal 1 and Goal 2; Primary Strategy Three, Goal 1; Primary Strategy Four, Goal 1; Primary Strategy Five: Goal 1.

In looking ahead, the State's Q8 submission will report out on only one remaining action step: 2.3.1(C): Each jurisdiction will implement a peer or supervisory review to evaluate the quality of contacts with a deliverable of the description of the peer or supervisory review by jurisdiction.

Performance Measures

As the State requested, the baselines for performance measures are prospective and were established during the review cycle of January 2011 through December of 2011. As of Q7, the State has met the negotiated baselines for the following:

Safety Outcome 2:	Item 3-Services to family to prevent removal
Safety Outcome 2:	Item 4-Risk of Harm
Permanency Outcome 1:	Item 10-Other planned permanent living arrangement
Well-Being Outcome 1:	Item 17-Needs and services of child, parents, foster parents
Well-Being Outcome 1:	Item 18-Child and family involvement in case planning

Well-Being Outcome 1: Item 19-Visits with children in foster care

The State has *not* yet met the performance for the following:

Safety Outcome 1: Item 1-Timeliness of initiating investigations

Permanency Outcome 1: Item 7- Permanency Goal

Well-Being Outcome 1: Item 20-Caseworker visits with parents

In addition, the State has *not* met the National Standard for the Safety Outcome of Absence of Maltreatment of Children in Foster Care.

Again, the Regional Office cautions that although the State is hopeful that they may meet the measures by the end of Q8, these data measures may require further direct attention for change to occur; immediate action on behalf of the Agency will be indicated. The Regional Office is available to offer assistance.

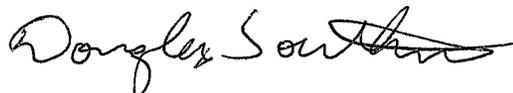

As the State is aware, the Children's Bureau is required to assess a penalty, pursuant to 45 CFR 1355.36, if a State is unable to successfully complete its PIP. If the State fails to meet the negotiated improvement goals, the estimated potential assessed penalty could be **\$878,475**.

Enclosed is a copy of the State's PIP seventh-quarter report matrix that includes our comments, when applicable, regarding the action steps/benchmarks and the date we consider an action step/benchmark completed. Also included is your current Q7 data performance.

We appreciate all the hard work and dedication that your staff has demonstrated in successfully completing the elements of the PIP that the State has met. We will continue to work with your staff providing technical assistance in an effort to meet the outstanding requirements. Your efforts to improve the permanency, safety and well-being of Nevada's children are greatly appreciated.

If you have questions or comments related to the PIP, please contact Wendi Ellis, State Specialist at (415) 437-8476 or by email at wendi.ellis@acf.hhs.gov or Liz Walker, ICFI Consultant, CB Region IX Child Welfare at (415) 437-8660 or by email at elizabeth.walker@acf.hhs.gov.

Sincerely,

Douglas Southard
