Fatality 10/14/2020

**F. The cause of the fatality or near fatality, if such information has been determined:**

Release of the cause of the fatality will remain pending until receipt of official coroner documentation.

**G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**

- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and

- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following relevant prior CPS history for the child or member of the child's family or household:

12/9/2016 – A report was received alleging neglect. Upon conclusion of a requisite investigation, the allegation was found unsubstantiated.

3/1/2018 – A referral was received and was coded "Information Only".

12/5/2018 – A report was received alleging neglect. Court action was initiated and the child was determined to be in need of protection. The allegation in the report was found to be substantiated. A case plan was put in place and appropriate referrals and services were provided to the family. On 5/12/2020, a permanency plan was put in place for the child. The case remains open.

3/25/2019 – A referral was received and was coded "Information Only".

1/17/2020 – A referral was received and was coded "Information Only".

#### **H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS opened an investigation for the incident. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the relevant members of the child's family or household.
