INFORMATION FOR RELEASE

A. Date of the notification to the child welfare agency of the death of a child:

6/18/20

B. Location of child at the time of death or near fatality (city/county):

Reno/Washoe

C. A summary of the report of abuse or neglect and a factual description of the contents of the report:

A report was received by WCHSA advising that an infant was found unresponsive and not breathing. CPR was performed and the infant was subsequently transported to a local hospital where she pronounced deceased.

D. The date of birth and gender of child:

5/22/20; Female

E. The date that the child suffered the fatality or near fatality:

6/18/20

F. The cause of the fatality or near fatality, if such information has been determined:

A determination on the cause and manner of death is currently pending

G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...

- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and

- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

3/19/01 – A report of lack of supervision was received by WCHSA and subsequently investigation and determined to be unsubstantiated.

10/13/05 – A report of a domestic violence incident between the parents was received by WCHSA. The report also indicated that a minor child in the residence was also involved in the incident, but did not sustain visible injury. The report was dispositioned as information only

10/2/06- A report of lack of supervision was received by WCHSA. It was report that several minors were left with out of supervision in front of a downtown casino. The report was dispositioned as information only.

10/16/06 – A report of lack of supervision and unhealthy living conditions was received by WCHSA. This report was subsequently investigated and determined to be unsubstantiated.

3/18/13 – A report was received by WCHSA that alleged, lack of supervision of a minor child and alcohol use by adults in the home. This report was dispositioned as information only.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

Agencies to check with legal representation if language is needed.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

The joint investigation with WCHSA and law enforcement remains underway at this time. There is another minor child residing in the home who has been deemed safe at this time. Resources for grief and loss are being provided to the family.

[NON-DISCLOSURE NOTICE](#)

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5):
1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be

released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
