SMALL BUSINESS IMPACT STATEMENT

PURSUANT TO NEVADA ADMINISTRATIVE CODE (NAC) 233B

RE: The Division of Child and Family Services Adoption of Regulations pertaining to NAC 432B

EFFECTIVE DATE OF REGULATION: Upon filing with the Nevada Secretary of State

1. Background: These regulations only affect state and local governments programmatically and are intended to align practice across the state as the agencies which provide child welfare services move to implement the Extended Young Adult Support Services Program (EYASSP). These regulations align practices within the state of Nevada with federal requirements.
2. Description of Solicitation: N/A. No solicitation was done because these regulations do not apply to any small business.
3. Does the proposed regulation impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? (NRS 233B.0608(1)). No.
4. How was that conclusion reached? These regulations do not apply to any small business as the EYASSP applies solely to child welfare agencies, including Rural Child Welfare in the Division of Child and Family Services, Nevada's Department of Health and Human Services and Clark County and Washoe Counties.

I, Marla McDade Williams, Administrator of the Department of Health and Human Services, Division of Child and Family Services, do hereby certify that, to the best of my knowledge or belief, these regulations do not apply to any small business EYASSP is a new initiative to be implemented effective July 1, 2025.

These regulations do not apply to any small business. These regulations only affect state and local governments programmatically and are intended to align practice across the state as the agencies which provide child welfare services move to implement the EYASSP. These regulations align practices within the state of Nevada with federal requirements.

The agencies which provide child welfare services have collaborated with the Court Improvement Council, as well as local community partners creating the plans for implementation of the EYASSP.

If any additional items are needed to submit these rules to the Legislative Committee, please do not hesitate to contact Deputy Administrator Dr. Lori Ann Malina-Lovell at lmalina-lovell@dcfs.nv.gov.

Respectfully submitted,
