3. **For Possible Action.** Review, Discussion/Development and Possible Vote on Rural Children’s Mental Health Consortium 2023 Annual Strategic Report – *Sarah Hannonen*

Sarah Hannonen said she had received an update from Nevada PEP and SOC so far. She thanked Shannon Hill and Char Frost for their reports. The report will include progress to Consortium goals and activities.

Addition updates and contacts were identified:

- Rural Mobile Crisis – Michelle Sandoval
- Medicaid – Sarah Dearborn

Sarah requested all updates be sent to her by January 17th. The plan is to compile the report draft for presentation at the RCMHC Main Meeting on January 19th. A special RCMHC Consortium meeting may need to be scheduled to approve the final Annual Report in time to send it to the Governor’s office by January 31st. Another Workgroup meeting will be held on January 26th at 9:00 am, and a tentative date for scheduling the special meeting was set for January 27th at 9:00 am.

Char Frost said the goal currently labeled “Awareness & Stigmatizing” message has been relabeled by the Clark County Children’s Mental Health Consortium to help prevent bias and implicit prejudice in language. She will forward the new wording and reports to Sarah Hannonen to update the text used in the Annual Report.

Voting member bios will not be included in the Annual Report and will be obtained for the RCMHC website update.

MOTION: Cherylyn Rahr-Woods made a motion to approve the Workgroup meeting schedule as discussed to meet the January 31st deadline.

SECOND: Sarah Hannonen

VOTE: Unanimous, with no opposition or abstention

4. **For Possible Action.** Recommendations and Possible Vote for Agenda Items for the Next Meeting – *RCMHC Members*

- Finalize and approve Annual Report changes

5. **Public Comment.** *No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken.*

Cherylyn Rahr-Wood reported that the Medicaid Quadrennial Rating Review Survey will be published this year which establishes reimbursement rates for behavioral health provider types. It is important that all providers take this survey to give input to Medicaid to help enable increased rates. She encouraged everyone to be aware and share this information.

6. **Adjournment.** – *Sarah Hannonen, Chair*

The meeting adjourned at 9:53 a.m.
