To: Washoe County Child Death Review Team

From: Nevada Executive Committee to Review the Death of Children

Re: 2021 Quarter 4 Recommendation

The Nevada Executive Committee to Review the Death of Children (Executive Committee) meets quarterly to review the reports and recommendations of the regional multidisciplinary child death review teams and respond to these recommendations. This can include, but is not limited to, making recommendations for improvements to laws, policies, and practices to prevent the deaths of children under eighteen (18) in Nevada.

In Quarter 4 of 2021, the Washoe County Child Death Review Team submitted the following recommendation to the Executive Committee:

PSA and community education regarding ATV operation as it pertains to minors being involved in ATV recreation

The Executive Committee will continue to discuss this recommendation to determine the best response and will provide your team updates as appropriate. In the meantime, the committee wanted to provide the following resources to your team.

- [Your Guide to Off-Highway Vehicles in Nevada](#) includes key regulations that apply to minors
- The [draft](#) of a proposed Nevada State Children's ATV Program by [The Nevada Off-Highway Vehicles Program](#)
- [Nevada's Official Online Off-Road Safety Course](#) (described as animated, narrated and perfect for ages 6 and up)

The Executive Committee thanks you for your recommendation and values your commitment in preventing child deaths in the State of Nevada. Please feel free to reach out with any questions to Jessica Freeman, jfreeman@dcfs.nv.gov, 702-486-7711.

Respectfully,

The Executive Committee to Review the Death of Children
