INFORMATION FOR RELEASE
A. Date of the notification to the child welfare agency about the fatality or near fatality of a child:
   8/10/2021
B. Location of child at the time of death or near fatality (city/county):
   Las Vegas, Clark
C. A summary of the report of abuse or neglect and a factual description of the contents of the report:
   CCDFS received a report that the child was brought into a local hospital by his adult caregiver due to the child
   being in physical distress. Medically assessment deemed the child to be in critical condition and he was admitted
   to the hospital for further care and treatment. The child has an underlying medical condition, and a concern is
   noted regarding the overall management of the child’s condition by his adult caregiver.
D. The date of birth and gender of child:
   1/31/2012, Male
E. The date that the child suffered the fatality or near fatality:
   8/10/2021
F. The cause of the fatality or near fatality, if such information has been determined:
   The cause of the near fatality is under investigation.
G. Whether the agency had any contact with the child or a member of the child’s family or household before
   the fatality or near fatality and, if so…
   1) The frequency of any contact or communication with the child or a member of the child’s family or household before the fatality or near
      fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
   2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child’s
      family or household before or at the time of the fatality or near fatality;
   3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of
      the child’s family or household before or at the time of the fatality or near fatality;
   4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time
      of the fatality or near fatality; and
   5) A summary of the status of the child’s case at the time of the fatality or near fatality, including, without limitation, whether the child’s case
      was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was
      closed.
The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child’s family or household:

8/24/2016 – A report was received alleging neglect. CCDFS responded to the reported address and upon appropriate inquiry, information was received that the family no longer resided at the address. Initially, contact was able to be made with the family via telephone, however, they stopped responding. CCDFS conducted diligent search efforts to locate the family, including accessing relevant human services databases. Due to unsuccessful attempts to make contact with the family and insufficient information available to support the allegations, the allegations were unsubstantiated, and the case closed.

5/3/2017 – A referral was received and was coded “Information Only”.

5/26/2017 – A referral was received and was coded “Information Only”.

3/5/2019 – A referral was received and was coded “Information Only”.

3/6/2019 – A referral was received and was coded “Information Only”.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

1) Has provided or intends to provide child welfare services to the child or to a member of the child’s family or household; and

2) Has made or intends to make a referral for child welfare services for the child or for a member of the child’s family or household; and

3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened a case for investigation and family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.
