

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

2/18/2018 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated.

2/22/2018 – A referral was received and was coded "Information Only".

4/27/2018 – A referral was received and was coded "Information Only".

7/30/2018 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated.

4/14/2019 – A referral was received and was coded "Information Only".

4/17/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated.

6/6/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was referred to appropriate community services, and the case closed.

6/24/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found substantiated. During the course of the open case, a referral was received on 1/16/2020 that was coded "Information Only". On 10/3/2019, 2/9/2020 and 3/5/2020 additional reports alleging neglect were received. Upon conclusion of requisite investigations in each instance, the allegations were found unsubstantiated. Appropriate referrals and services were provided to the family based on assessment. The case closed.

4/8/2020 – A report was received alleging neglect. Court action was initiated in the matter. Upon conclusion of the requisite investigation, allegations were found substantiated. During the course of the open case, a referral was received on 9/29/2020 that was coded "Information Only". Appropriate referrals and services were provided to the family based on assessment. On 10/12/2020, the Petition was dismissed with relevant family members being placed with an appropriate caregiver. The case closed.

3/27/2021 – A report was received alleging abuse and neglect. Court action was initiated in the matter. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. On 4/19/2021, the Petition was dismissed. During the course of the open case, referrals were received on 4/21/2021 and 6/11/2021 that were coded "Information Only". On 4/22/2021, 5/18/2021 and 6/23/2021 additional reports alleging neglect were received. Upon conclusion of requisite investigations in each instance, the allegations were found unsubstantiated. Appropriate referrals and services were provided to the family based on assessment. The case closed.

10/12/2021 – A report was received alleging neglect with additional information being received 11/3/2021. Upon conclusion of the requisite investigation, the case remains open.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened an investigation as to the near fatality incident. Family assessment is ongoing. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child and/or relevant members of the child's family or household.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5): 1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
