### INFORMATION FOR RELEASE

**A. Date of the notification to the child welfare agency of the fatality/near fatality of a child:**

8/22/2022

**B. Location of child at the time of death or near fatality (city/county):**

Las Vegas, Clark

**C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**

CCDFS received a report that an adult, who does not reside in the home, took the child to a local hospital emergency room due to the child being in physical distress. Upon medical assessment, the child was determined to be in critical condition. The child was transported to another local hospital and admitted for specialized ongoing care and treatment. A concern is noted that the child's primary adult caregiver did not seek timely treatment for the child. There are also concerns with regard to the home environment, as well as supervision of the child and other relevant family members.

**D. The date of birth and gender of child:**

5/31/2009, Male

**E. The date that the child suffered the fatality or near fatality:**

8/22/2022

**F. The cause of the fatality or near fatality, if such information has been determined:**

The cause of the near fatality is under investigation.

**G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**

- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
- (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
- (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
- (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
- (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

2/22/2012 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found substantiated. Based upon assessment, the family was provided with information relating to appropriate community resources, and the case closed.

12/04/2013 – A referral was received and was coded "Information Only".

12/09/2019 – A referral was received and was coded "Information Only".

1/24/2022 – A report was received alleging abuse and neglect. Upon conclusion of the requisite investigation, the allegations were found substantiated. The family was placed under informal in-home supervision, a case plan was put in place, with appropriate services and referrals being provided based upon assessment. Information regarding community services and resources was also provided to the family. At the conclusion of the case, relevant family members were deemed safe, and the case closed.

1/24/2022 – A companion report and investigation was also opened for non-relative household members residing in the home and connected to the afore-mentioned report. Upon conclusion of the requisite investigation, the allegations in the report were found unsubstantiated. Appropriate referrals were provided to the non-relative household members and the case closed.

**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened a case for investigation and family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child and/or relevant members of the child's family or household.
