INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the fatality/near fatality of a child:**
1/14/2022
- B. Location of child at the time of death or near fatality (city/county):**
Las Vegas, Clark
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**
CCDFS received a report that the child was brought into a local emergency room after sustaining burns while in the care and supervision of an adult caretaker. The child also presented with additional concerns with no explanations as to cause. Medical assessment determined the child to be in critical condition and he was admitted for ongoing care and treatment. A concern was noted regarding the delay in obtaining medical attention despite the significant burns.

3/30/2013, Male
- E. The date that the child suffered the fatality or near fatality:**
1/13/2022
- F. The cause of the fatality or near fatality, if such information has been determined:**
The cause of the near fatality is under investigation.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:
