**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child’s family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child’s family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child’s family or household.

CCFS opened an investigation with regard to the near fatality and during the course of investigation maltreatment was identified. Court action was initiated and on 7/10/2024, with the child being determined to be in need of protection. The allegations were found substantiated. Permanency and case plans have been put in place and appropriate referrals and services are being provided as assessment dictates. CCFS will, as deemed appropriate, continue to provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.
