

CCFS has the following prior CPS history for this child or member of the child's family or household:

1/20/2015 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. Based on assessment, the family was provided with appropriate referrals to available community resources. The case closed.

4/1/2015 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. Based on assessment, the family was found not to be in need of services and the case closed.

3/15/2018 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. Based on assessment, the family was found not to be in need of services. They were provided for information regarding available community resources, and the case closed.

8/26/2018 – A report was received alleging abuse and neglect. Upon conclusion of the requisite investigation, the allegations were found substantiated. On 9/22/2018, during the course of the open case, a second report was received alleging neglect. Upon conclusion of the requisite investigation in that instance, the allegations were found unsubstantiated. Based on assessment, the family case was transferred for to permanency for voluntary ongoing referrals and services. The case closed.

9/1/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. Based on assessment, the family was provided with appropriate referrals to available community resources.

11/6/2019 – A report was received alleging abuse. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. The family was not in need of services and referrals and the case closed.

2/19/2020 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family denied being in need of services. They were provided with information regarding available community resources, and the case closed.

6/30/2020 – A report was received alleging neglect. On 7/13/2020, a second report was opened alleging neglect following the birth of another relevant family member. Court action was initiated, and relevant family members were found to be in need of protection. The allegations for both reports were substantiated. The family was placed under formal supervision, case plans put in place, and appropriate referrals and services were provided to the family. On 1/13/2021 a hearing was held, and the court terminated jurisdiction and wardship with a NRS 432B.550(1)9a) Termination Order giving the appropriate parent sole, legal and physical custody of on a relevant family member. A permanency plan was put in place for other relevant family members. On 10/13/2022, the court formally terminated jurisdiction with the permanency goals having been achieved. The case closed.

9/23/2023 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found substantiated. Based on assessment, appropriate referrals and services were provided to the family. The case closed.

2/5/2024 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was provided with information regarding available community resources, and the case closed.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCFS has opened a case for investigation and family assessment. CCFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5): 1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
