INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the fatality/near fatality of a child:**
6/5/2025
- B. Location of child at the time of death or near fatality (city/county):**
Las Vegas, Clark
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**
CCFS received a report that the child was taken to a local area hospital by an adult relative due to the child experiencing signs of physical distress. Upon medical assessment, he was determined to be in serious condition due to an uncontrolled, underlying medical condition. This included reportedly being without medication for four days. He was admitted for ongoing care and treatment. The child is in Clark County custody and has been on runaway status. At the time of this event, the child was residing with the afore-stated relative which was an unapproved placement. There are concerns of medical neglect by the relative and the possibility the child will flee from Clark County custody again and return to runaway status.
- D. The date of birth and gender of child:**
12/29/2008, Male
- E. The date that the child suffered the fatality or near fatality:**
6/5/2025
- F. The cause of the fatality or near fatality, if such information has been determined:**
The cause of the near fatality is under investigation.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCFS has the following prior CPS history for this child or member of the child's family or household:

11/30/2017 – A referral was received and was coded "Information Only".

3/9/2020 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was provided with information regarding available community resources, and the case closed.

2/15/2022 – A referral was received and was coded "Information Only".

8/18/2023 – A referral was received and was coded "Information Only".

1/9/2024 – A referral was received and was coded "Information Only".

1/23/2024 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was not in need of services, and the case closed.

On 5/13/2024 a report was received alleging neglect. The child who is the subject of this disclosure was taken into Protective Custody. On 5/22/2024, the child ran away while being transported to his adult caregiver. Reports were filed with law enforcement, Nevada Child Seekers, and the National Center for Missing and Exploited Children. A Request for Writ of Attachment was also requested in the event the child was found. Appropriate diligent search efforts were made to locate the child. Protective custody was not maintained as the child's whereabouts were unknown. The allegations were found substantiated and the investigation closed.

On 8/16/2024, a report was received alleging neglect. Court action was initiated, and the child was determined to be in need of protection. The allegations were found substantiated. The family was placed under formal supervision and a case plan put in place. On 12/23/2024, during the course of the open case, a referral was received and was coded "Information Only". Additionally, on 3/5/2025, a report was received alleging neglect and involved the child's unlicensed fictive kin placement. The report included that the child had run away from the placement. Reports were filed with law enforcement, Nevada Child Seekers, and the National Center for Missing and Exploited Children. A Request for Writ of Attachment was also requested in the event the child was found. An alert was also sent to local area hospitals. This report was coded "Unable to Locate". The case remains open for ongoing Permanency services with actions, referrals, and services being provided as deemed appropriate.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCFS has opened a case for investigation and family assessment. CCFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.
