INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the fatality/near fatality of a child:**
9/30/2025
- B. Location of child at the time of death or near fatality (city/county):**
Las Vegas, Clark
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**
CCFS received a report that the child became unresponsive while in the care of her foster parent. It was reported that the foster parent suspected the child may have ingested prescription medication belonging to another individual residing in the home. The foster parent reported that some medication had spilled onto the floor and was picked up; however, the child later developed symptoms, leading to concern that she may have ingested a missed pill. The foster parent contacted Poison Control and 9-1-1. Emergency medical personnel responded to the home, administered treatment, and transported the child to a local hospital where she was listed in serious/critical condition. Although the incident appears to be an accidental ingestion, at the time of the report, there was concern regarding the foster parent's supervision of the child and/or securing the prescription medication in the home.
- D. The date of birth and gender of child:**
1/4/2024, Female
- E. The date that the child suffered the fatality or near fatality:**
9/30/2025
- F. The cause of the fatality or near fatality, if such information has been determined:**
The cause of the near fatality is under investigation.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the

rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCFS has the following prior CPS history for this child or member of the child's family or household:

1/4/2024 – A report was received alleging neglect. Court action was initiated, and the child was determined to be in need of protection. The allegations were found substantiated. The family was placed under formal supervision and a case plan put in place. The case remains open for ongoing Permanency services with actions, referrals, and services being provided as deemed appropriate.

CCFS has the following prior CPS history for the foster parent in whose care the child was in at the time of the near fatality incident:

9/6/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. The family was provided with information regarding available community resources, and the case closed.

12/27/2021 – A referral was received and was coded "Information Only".

7/18/2022 – A referral was received and was coded "Information Only".

11/4/2022 – A referral was received and was coded "Information Only".

9/25/2024 – A referral was received and was coded "Information Only".

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCFS has opened a case for investigation and assessment. A companion case has also been opened with regard to other relevant household members. CCFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child and/or relevant members of the child's family or household.
