### INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the death of a child:** August 17, 2021
- B. Location of child at the time of death or near fatality (city/county):** Carson City, Nevada
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:**  
DCFS received a report regarding a child fatality. Emergency medical personnel responded to a 9-1-1 call regarding an unresponsive 7-month-old child after being left in a bathtub. Life saving efforts were unsuccessful, and the child was pronounced dead. While Law Enforcement was in the home, it was observed to be unsafe for children.
- D. The date of birth and gender of child:** January 7, 2021 - Female
- E. The date that the child suffered the fatality or near fatality:** August 17, 2021
- F. The cause of the fatality or near fatality, if such information has been determined:** Drowning.  
10/12/2021 information: Autopsy and criminal investigation are still pending.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...**
- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
  - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
  - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
  - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
  - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

DCFS has received two (2) previous reports regarding this family. Both reports were dispositioned as Information Only and no services were provided to the family.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

The Division conducted an assessment due to the child being left in the care of another minor in the home whereas the child was suspected to have drowned and the home environment to be unsafe for children. The Division created a safety plan where they are under the care and supervision of a responsible relative. The Division has provided referrals and support to the family. The case remains open at this time.
