INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the fatality/near fatality of a child: 01/21/2022
- B. Location of child at the time of death or near fatality (city/county): Carson City, Nevada
- C. A summary of the report of abuse or neglect and a factual description of the contents of the report:

 The Division of Child and Family Services received a report that a child was transported to a local hospital as she was found to be unresponsive and had to be intubated. The child was transported to another hospital for further treatment, where she was deemed to be in critical condition/near fatal. While at the hospital, the child received multiple doses of Narcan, which she responded too, and she was found to be positive for opiates.
- D. The date of birth and gender of child:

10/13/2020 - Female

E. The date that the child suffered the fatality or near fatality:

01/21/2022

F. The cause of the fatality or near fatality, if such information has been determined:

The cause of the near fatality is still under investigation.

- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...
 - (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

October 21, 2015 – Referred for differential services for report for physical risk.

December 28, 2015 – Investigation for report for physical risk. Unsubstantiated.

June 17, 2016 – Information only for report for physical abuse.

July 18, 2016 – Investigation for report for physical risk. Substantiated. Case opened for services, closed in 2018 through guardianship.

July 18, 2016 - Additional information to the other report received on July 18, 2016

July 20, 2016 – Information only for report for environmental neglect.

Date: 12/03/2021 FPO 0401A - Child Welfare Agency Public Disclosure Form

Date: 12/03/2021

July 28, 2016 – Information only for report for physical abuse.

August 8, 2016 – Information only for report for inadequate supervision and failure to protect.

June 29, 2019 – Information only for report for substance exposed infant.

August 13, 2020 – Information only for report with no allegations.

August 31, 2020 – Investigation for report of physical risk. Unsubstantiated.

October 14, 2020 – Referral for community support services for report of substance exposed infant.

October 23, 2020 – Additional information for report with no allegations.

November 10, 2021 – Information only report of medical neglect.

December 21, 2021 – Information only for report with no allegations.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

Agencies to check with legal representation if language is needed.

- H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...
 - (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
 - (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
 - (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

The Division of Child and Family Services is completing an investigation and if appropriate, will provide child welfare services, make referrals for services and/or take action concerning the safety and welfare of the child and other members of the household.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5):

1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
