INFORMATION FOR RELEASE

A. Date of the notification to the child welfare agency of the fatality of a child: 4/5/2022

B. Location of child at the time of death (city/county):
   Reno, NV; Washoe County

C. A summary of the report of abuse or neglect and a factual description of the contents of the report:
   On 4/5/2022 a report was received after 911 was called about the infant who was found unresponsive by his mother. The infant was placed awake on an adult sized bed, propped up on a pillow while a bottle was prepared. He fell asleep while waiting and the decision was made not to wake him and to feed him later at which time, he was moved to lying flat. When the mother awoke later, she found him under a pillow as if he had scooted himself. Life saving measures were performed but the infant was pronounced deceased after being transported to the hospital.

D. The date of birth and gender of child:
   11/29/2021; male

E. The date that the child suffered the fatality:
   4/5/2022

F. The cause of the fatality or, if such information has been determined:
   Undetermined at the time of this disclosure

G. Whether the agency had any contact with the child or a member of the child’s family or household before the fatality or near fatality and, if so...
   (1) The frequency of any contact or communication with the child or a member of the child’s family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
   (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child’s family or household before or at the time of the fatality or near fatality;
   (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child’s family or household before or at the time of the fatality or near fatality;
   (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
   (5) A summary of the status of the child’s case at the time of the fatality or near fatality, including, without limitation, whether the child’s case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

   No prior history with this family.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).
