☐ Child Fatality  ☑ Date of Death: 8/31/2022  
☐ Near Fatality  Date of Near Fatality: 8/24/2022  
☐ Portions of information on this form have been withheld at the request of [Name of agency] law enforcement agency.

INFORMATION FOR RELEASE

A. Date of the notification to the child welfare agency of the fatality of a child:  
   Near Fatality: 8/24/2022  
   Fatality: 8/31/2022

B. Location of child at the time of death or near fatality (city/county):  
   Reno, NV; Washoe County

C. A summary of the report of abuse or neglect and a factual description of the contents of the report:  
   A report was received on 8/24/2022 indicating that an 18-month-old male was found unresponsive in a crib at the family home. Life saving measure were performed by the family, emergency medical personal and hospital personnel. He was pronounced deceased but then eye movement and some breath sounds were noted, and he was intubated at that time. He is currently hospitalized on life support.

   Update: 8/31/2022 Further toxicology testing was performed, and child was found to be positive at time of admission for Fentanyl. Medical records confirm no Fentanyl was given for treatment and ingestion occurred in the mother’s home. Life support services withdrawn on 8/31/2022 and child was pronounced deceased.

D. The date of birth and gender of child:  
   2/8/2021; Male

E. The date that the child suffered the fatality or near fatality:  
   8/24/2022

F. The cause of the fatality or near fatality, if such information has been determined:  
   8/24/2022: Unknown at this time  
   8/31/2022: child positive for Fentanyl, official cause remains pending until autopsy.

G. Whether the agency had any contact with the child or a member of the child’s family or household before the fatality or near fatality and, if so...  
   (1) The frequency of any contact or communication with the child or a member of the child’s family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;  
   (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child’s family or household before or at the time of the fatality or near fatality;  
   (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child’s family or household before or at the time of the fatality or near fatality;  
   (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and  
   (5) A summary of the status of the child’s case at the time of the fatality or near fatality, including, without limitation, whether the child’s case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.
Prior History:

8/2021- Substantiated for neglect- physical risk and environmental neglect
8/021- Information Only – report did not rise to the level of an investigation
2/9/2021- Information Only- Infant positive of marijuana at time of birth, report did not rise to the level of an investigation.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

Agencies to check with legal representation if language is needed.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...
   (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
   (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
   (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

WCHSA has an open assessment on the family and a present danger plan is in place regarding a sibling in the home. Support services are being provided to the family and agency will continue to assess. WCSO Detective is also assigned and investigating.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5): 1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
