**In partnership with UNLV Psychology / The PRACTICE*

Future Aspirations

Grow the FT faculty

Grow the training cohort

Expand training opportunities: school-based mental health, corrections psychiatry

Local Impact

- DWTC attending physicians are all UNLV graduates
- Nevada Mental Health founded by a program graduate
- Graduates work in private practice, hospital-based practice (Desert Parkway, Southern Hills Pavilion, Desert Winds), group practice

** Sadly, the total ratio of CAP:population has not changed due to untimely passing of 3 colleagues in the past 18 months*
