Need Insurance?

Did you age of foster care at 18? You qualify for Aged Out Medicaid Insurance through the State of Nevada. If you aged out of foster care from Nevada, you may access Aged Out Medicaid until the age of 26. If you aged out of another state (NOT Nevada), you may access Aged Out Medicaid until the age of 21.

If you are a young adult who will be leaving foster care soon, talk with your social worker or case worker about signing up so you will have Medicaid health insurance.

You do not need to go to the Nevada Health Link website to apply unless you are also applying for other welfare services.
