The performance period for this award begins with expenses incurred due to the COVID-19 pandemic starting March 15, 2021 through June 30, 2025.

This NOFO is administered by the Division of Child and Family Services (DCFS) Grants Management Unit (GMU). Funds awarded as a result of this NOFO will begin as soon as possible starting in June 2021. Unused funds from this supplemental award will not be automatically carried forward after the award period. Funding is not guaranteed through the entire award period if funds are fully expended early. Current subrecipients are not guaranteed funding in SFY26 and applicants who receive awards through this NOFO are not guaranteed future funding.

Total Funding Amount: \$1,029,998.00 for the entire award period. Funding will be distributed to support the provision of direct supportive services and immediate shelter and temporary housing consistent with statutory purposes for victims of family, domestic, and dating violence and their dependents in relation to COVID-19.

FVPSA funding is designated for organizations involved in **the operation of shelters for victims of family violence, domestic violence, and dating violence and their dependents** or those which provide counseling, advocacy, and self-help services to victims. Funds are awarded through a NOFO process and are dependent upon availability of funding, compliance with grant requests, and scopes of work (SOW).

Funding preference will be given to agencies providing adequate justification of need and demonstrated incurred expenditures due to the COVID-19 pandemic and proposed future expenditures related to COVID-19.

Funding Distribution	Funding Allocations	Approximate Total of Awards

Applicants **MUST** be current FVPSA subrecipients to be eligible for this supplemental funding opportunity. Applicants should describe the demonstrated need for funding due to expenses incurred and projected due to the COVID-19 pandemic. Agencies and organizations may use these funds to conduct human service activities related to or affected by COVID-19 for services and supports for victims of domestic violence and their dependents. DCFS has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to awarding a grant. DCFS anticipates making approximately 15 awards.

Match/Cost Sharing Requirement: There is no match requirement for the ARP Supplemental FVPSA funding.

Program Requirements

APPLICANT ELIGIBILITY

This NOFO is open to current FVPSA subrecipients that support programs and projects within the state to prevent incidents of family, domestic, and dating violence and to provide immediate shelter and related assistance to victims of family violence and their dependents in order to prevent future incidents and has incurred or has projected expenditures related to the provision of services as a result of the ongoing COVID-19 pandemic and recovery from it.

Data Universal Numbering System (DUNS)

In accordance with the supplement to the Office of Management and Budget (OMB) Circular A-133, subrecipients must obtain a Data Universal Numbering System (DUNS) as part of eligibility for a sub-award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. Obtaining a DUNS number is a free, one-time activity. Obtain a DUNS number by calling Dun and Bradstreet at 1-866-705-5711 or by applying online at www.dnb.com. A DUNS number is usually received within 1-2 business days.

Civil Rights Compliance

All recipients of federal grant funds are required to comply with nondiscrimination requirements contained in various federal laws. In the event that a court or administrative agency makes a finding of discrimination on grounds of race, color, religion, national origin, gender, disability or age against a recipient of funds after a due process hearing, the recipient must agree to forward

a copy of the finding to the Office for Civil Rights of the Department of Justice's Office of Justice Programs.

Services to Limited-English-Proficient (LEP) Persons

National origin discrimination includes discrimination on the basis of Limited English Proficiency (LEP). To ensure compliance with Title VI of the Civil Rights Act and the Omnibus Crime Control and Safe Streets Act, grant recipients are required to take reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including interpretation and translation services, where necessary. Applicants are encouraged to consider the need for language services for LEP persons served or encountered both in developing their proposals and budgets and in conducting their programs and activities. Reasonable costs associated with providing meaningful access for LEP individuals are considered allowable program costs.

COVID-19 causes illnesses that can range from mild to more severe, with more severe cases resulting in fatality. The COVID-19 pandemic, also known as the coronavirus pandemic, is an ongoing pandemic of coronavirus disease 2019 (COVID-19), caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). Amid the COVID-19 pandemic many health service organizations have reported an increase in domestic violence and intimate partner violence.

Application Review

DCFS staff along with application review panel members will review and evaluate each application based upon the submitted justification of need. The evaluation of applications received in response to this NOFO will be conducted comprehensively, fairly and impartially. The review process will include a technical review of applicant information, project narrative, program evaluation, cost effectiveness, project sustainability, scope of work, staff qualifications, collaboration and budget narrative.

Funding decisions will be based on the following factors:

- Demonstrated justification of need;
- Geographic distribution of the proposed grant awards;
- Federal priority funding populations;
- Conflicts or redundancy with other funded programs or supplanting of existing funding.

Evaluation Process

Applications received by the published deadline of **5:00 pm Friday June 25, 2021** will be processed as follows:

STEP 1: Technical Review

DCFS staff will perform a technical review of each application to ensure that minimum standards are met and verify applicant eligibility.

- Applications **may** be disqualified if they are missing fundamental elements (i.e., unanswered questions, required attachments).

STEP 2: Application Review

- A. Each application that passes the technical review will be evaluated by DCFS Grants Management Unit (GMU) staff.
- B. During the review process, staff will identify strengths and weaknesses and may recommend that if the application is funded:
 - Specific revisions are made to the budget or Scope of Work, or
 - Special conditions are placed on the award (e.g., certain fiscal controls, more stringent performance requirements, or more frequent reviews).
- C. The review panel will identify specific line-item areas for revision if funding limitations result in a reduction of an overall proposed budget. In the event budget reductions are necessary, an equitable formula will be developed and applied in an impartial manner.
- D. Decisions will be based on GMU application evaluation which will be provided to the Administrator of DCFS or designee for final approval.

STEP 3: Final Decisions

A successful application is not a guarantee you will receive all or partial funding for the program; or, if initially funded, that your project will receive continued funding in subsequent grant cycles.

Final funding decisions will be made by the DCFS Administrator or designee based on the following factors:

- Demonstrated justification of need;
- Geographic distribution of the proposed grant awards;
- Federal priority funding populations;
- Conflicts or redundancy with other funded programs or supplanting of existing funding.

Funding decisions made by the DCFS Administrator or designee are final. There is no appeal process

UPON APPROVAL OF AWARD

The monthly reports will be due by the 15th of the following month.

B. Performance Report

Subrecipients who receive an award must complete performance reports on a quarterly basis and submit them as instructed by DCFS. The quarterly reports will be due by the 15th of the month following the end of the reporting quarter; see the chart below. Successful applicants will report on their progress towards meeting their scope of work commitments and DCFS will provide a data reporting workbook for subrecipients to document their performance measures. Subrecipients will be required to provide source documentation that corresponds to the data reported.

Reporting Period	Due Date
July 1 – Sept 30	Oct 15
Oct 1 – Dec 31	Jan 15
Jan 1 – Mar 31	Apr 15

C. Subrecipient Monitoring

Successful applicants must participate in subrecipient monitoring. Subrecipient monitoring is intended to provide ongoing technical support to subrecipients and gather information reportable by DCFS to the federal granting agency. To facilitate the review process, materials referred to in the review documents should be gathered prior to the review. The subrecipient's primary contact person and appropriate staff should make themselves available to answer questions and assist the reviewer(s) throughout the process. For non-governmental agencies, at least one (1) board member must also be available during the exit discussion. The subrecipient monitoring reports or action items will be sent to your agency within 30 working days following the conclusion of the subrecipient monitoring.

Budget Narrative Instructions

All applications must include a detailed project budget for the grant that includes expenditures incurred since March 14, 2021 and expenditures projected through June 30, 2025. The budget should be an accurate representation of the funds needed to carry out the proposed Scope of Work and achieve the projected outcomes for SFY21 through SFY25. If the project is not fully funded, the GMU will work with the applicant to modify the budget, the Scope of Work, and the projected outcomes.

Applicants **must** use the budget template form (Excel file) provided for downloading in the Budget Section of the online application. Use the budget definitions provided in the “Categorized Budgets” section below to complete the narrative budget (spreadsheet tab labeled Budget Narrative 1). This spreadsheet contains formulas to automatically calculate totals and links to the budget summary spreadsheet (tab labeled Budget Summary) to automatically complete budget totals in Column B. **Do not override formulas.**

Charges made to Federal awards for salaries, wages, and fringe benefits must be based on records that accurately reflect the work performed and comply with the established policies and practices of the organization. See [2 C.F.R. § 200.430](#).

Total Fringe Cost					\$	-	Total:	\$	-

For all budget categories: Provide total requested, item details, and line-item justification.

Personnel:

Employees who provide direct services are identified here. The following criterion is useful in distinguishing employees from contract staff.

CONTRACTOR	EMPLOYEE
Delivers product	The applicant organization is responsible for product
Furnishes tools and/or equipment	The applicant organization furnishes workspace & tools
Determines means and methods	The applicant organization determines means and methods

In the narrative section, list each position and employee name, if known. Provide a breakdown of the wages or salary and the fringe benefit rate (e.g., health insurance, FICA, worker's compensation). For example:

Program Director – $(\$28/\text{hour} \times 2,080/\text{year} + 22\% \text{ fringe}) \times 25\% \text{ of time} = \$17,763$

Intake Specialist – $(\$20/\text{hour} \times 40 \text{ hours/week} + 15\% \text{ fringe}) \times 52 \text{ weeks} = \$47,840$

Only those staff whose time can be traced directly back to the grant project should be included in this budget category. This includes those who spend only part of their time on grant activities. All others should be considered part of the applicant's indirect costs (explained later).

Travel/Training: Travel costs must provide direct benefit to this project. Identify staff that will travel, the purpose, frequency, and projected costs. U.S. General Services Administration (GSA) rates for per Diem and lodging, and the state rate for mileage (currently 54.5 cents), should be used unless the organization's policies specify lower rates for these expenses. Local travel (i.e., within the program's service area) should be listed separately from out-of-area travel. Out-of-state travel and nonstandard fares/rates require special justification. GSA rates can be found online at <https://www.gsa.gov/portal/category/26429>.

Identify and justify any training costs specifically associated with the project, include type of training, location, # attending, benefit to subrecipient and implementation of a subaward.

Operating:

List and justify tangible and expendable property, such as office supplies, program supplies, etc., that are purchased specifically for this project. Generally, supplies do not need to be priced individually, but a list of typical program supplies is necessary. If food is to be purchased for shelters, detail must be provided that explains how the food will be utilized to meet the project goals.

Equipment:

List equipment to purchase or lease costing \$1,000 or more and justify these expenditures. Also list any computer hardware to be purchased regardless of cost. All other equipment costing less than \$1,000 should be listed under Operating. Equipment that does not directly facilitate the purpose of the project, as an integral component, is not allowed. Equipment purchased for this project must be labeled, inventoried, and tracked as such.

Contractual/Consultant Services:

Project workers who are not employees of the applicant organization should be identified here. Any costs associated with these workers, such as travel or per diem, should also be identified here. Explain the need and/or purpose for the contractual/consultant service. Identify and justify these costs. For collaborative projects involving multiple sites and partners, separate from the applicant organization, all costs incurred by the separate partners should be included in this category, with subcategories for Personnel, Fringe, Contract, etc. Written sub-agreements must be maintained with each partner, and the applicant is responsible for administering these sub-agreements in accordance with all requirements identified for grants administered under the DCFS. A copy of written agreements with all partners must be provided. Scan these documents along with the budget into one file to attach to the application.

Other Expenses:

Identify and justify these expenditures, which can include virtually any relevant expenditure associated with the project, such as audit costs, car insurance, client transportation, etc. Sub-awards, mini-grants, stipends, or scholarships that are a component of a larger project or program may be included here but require special justification as to the merits of the applicant serving as a “pass-through” entity, and its capacity to do so. If there is insufficient room in the narrative section to provide adequate justification, please add a third tab to the budget template for that purpose.

Budget Summary Form 2

After completing Budget Narrative Form 1, turn to Budget Summary Form 2. Column B of Form 2 (“DCFS”) should automatically update with the category totals from Budget Narrative Form 1. Column B should reflect only the amount requested in this application.

Complete Columns C through G of the form for all other funding sources that are either secured or pending for this project (not for the organization as a whole). Use a separate column for each separate source, including in-kind, volunteer, or cash donations. Replace the words “Other Funding” in the cell(s) in Row 6 with the name of the funding source. Enter either “Secured” or “Pending” in the cell(s) in Row 7. If the funding is pending, note the estimated date of the funding decision in Section B below the table, along with any other explanation deemed important to include.

Enter the “Total Agency Budget” in Cell I-26 labeled for this purpose. **This should include all funding available to the agency for all projects including the proposed project.** Cell I-27 directly below, labeled “Percent of Total Budget,” will automatically calculate the percentage that the funding requested from the DCFS for the proposed project will represent.
