

1. I am reviewing the application packet and see referenced Section A – Assurances and Certification; Section E – Audit Information Request; Section F – Notification of Utilization, Section G – Confidentiality Addendum and Section H – Victims of Domestic Violence assurance. Where are these forms located they are not contained within the application packet and don't see a reference to where they are located?

Answer 1: An error was made on the Victims of Domestic Violence (ML) Notice of Funding Opportunity (NOFO) for SFY21. On Page 15 of the Application, the Application Checklist, in the 'Application Submission' section, the checklist includes a checkbox for applicants to include signed copies of the following documents: Section A – Assurances and Certification; Section E – Audit Information Request; Section F – Notification of Utilization of Current or Former State Employees; Section G – Confidentiality Addendum; and Section H – Victims of Domestic Violence (ML) Assurance. Please review the updated ML NOFO on the DCFS GMU website <http://dcfs.nv.gov/Programs/GMU/GMU/>.

2. Do you have a fillable version of the agency self-assessment?

Answer 2: Yes. Some agencies have encountered problems with the formatting of the Word version of the Agency Self-Assessment. The issue has been solved after converting the Self-Assessment document to an earlier version of Word. If your agency has encountered problems with the previously provided Agency Self-Assessment, the earlier Word version is available via email. Please send your request to DCFSgrants@dcfs.nv.gov.
